OFFICINA  
GIARDINA

## Azienda

Siamo una piccola ditta artigiana presente nel mercato della costruzione di macchine agricole.

Caratteristica principale è la cortesia e la possibilità di soddisfare qualsiasi esigenza tecnica.

La produzione è diversificata nella costruzione di accessori per:

Macchine e rimorchi agricoli, piedi appoggio fissi, con ruota, idraulici, per regolazione profondità e con ingranaggio, leve freno cuna, leve freno parcheggio, pistoni idraulici, verricelli, cerniere, chiusure e lavori a disegno.

Rimorchi appendice, piedi fissi e registrabili, morsetti, chiusure e cerniere minor.

Ad integrazione della produzione forniamo inoltre stampati quali occhioni, cerniere, chiusure, sfere ed accessori vari.

## Costruzione

**PIEDI E RUOTE APPOGGIO  
VERRICELLI  
ROSETTE  
CERNIERE  
CHIUSURE VARIE  
LEVE FRENO  
LAVORI A DISEGNO**

## Accessori per

**MACCHINE  
RIMORCHI AGRICOLI**

## Company

We are a small artisan company present in the market for the construction of agricultural machinery.

The main feature is the courtesy and the ability to meet all technical requirements.

The production is diversified in the construction of accessories:

Machines and agricultural trailers, foot rest fixed wheel, hydraulic, for depth adjustment, and gear, brake levers cradle, parking brake lever, hydraulic pistons, winches, hinges, fasteners and customized products.

Trailers appendix, fixed and adjustable feet, clamps, fasteners and hinges Minior.

To complement the production we also printed as eyes, hinges, fasteners, bearings and accessories.

## Construction

FEET AND WHEEL SUPPORT  
WINCHES  
WASHERS  
HINGES  
OTHER CLOSURES  
BRAKE LEVERS  
DESIGN WORKS

## Accessories for

CAR  
AGRICULTURAL TRAILERS
